Re: Hearing Application
J-6 Sand, Reservoir A, SUA, SUB, SUC
BLOCK 69, MAIN PASS FIELD
Plaquemines Parish, Louisiana
Applicant: Devon Louisiana Corporation

Dear Mr. Commissioner:

In accordance with the Rules of Procedure for Conducting Hearings Before the Commissioner of Conservation of the State of Louisiana, application is hereby made on behalf of **Devon Louisiana Corporation** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the J-6 Sand, Reservoir A in the Main Pass Block 69 Field, Plaquemines Parish, Louisiana.

1. To create three (3) single drilling and production units of approximately 120 acres for the J-6 Sand, Reservoir A, designated as the J-6 RA SUA, SUB and SUC, Main Pass Block 69 Field, Plaquemines Parish, Louisiana, all as shown more particularly on the attached plat;
2. To establish rules and regulations governing the exploration for and production of oil and gas from the said units;
3. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the units so created, with each tract sharing in units production on a surface acreage basis of participation;
3. To designate a unit operator and unit wells for the J-6 RA SUB and J-6 RA SUC created herein;
4. To consider such other matters relating to the subject reservoirs as may be appropriate and justified by the evidence presented at the public hearing.

The J-6 Sand, Reservoir A in the Main Pass Block 69 Field, Plaquemines Parish, Louisiana is hereby defined as being that gas and condensate bearing sand encountered between the depths of 6,599 feet and 6,662 feet (electrical log

measurements) in the Pogo Producing Company-State Lease 17814 No. 1 Well, located in Main Pass Block 68, Plaquemines Parish, Louisiana.

In compliance with the Rules of Procedure for Conducting Hearings Before the Commissioner of Conservation of the State of Louisiana, a pre-application conference was held in Lafayette, Louisiana on May 24, 2004. Attached hereto and made a part hereof is a list of the names and addresses of the parties who were in attendance at that conference. The rights of the parties were reserved.

The conference was opened by Mr. B. J. Duplantis. Mr. Frank Harrison, Geologist, presented the plan of applicant. Based upon new well information available, the applicant has revised its plan to present three (3) units of 120 acres and to define the sand as the J-6 Sand in the Pogo Producing Company-State Lease 17814 No. 1 Well, located in Main Pass Block 68, Plaquemines Parish, Louisiana. Questions were asked and answered. Mr. Revels on behalf of Pogo did not present a counter plan, but indicated he plans to oppose the applicant at the public hearing. It is anticipated that there will be opposition at the public hearing on this matter.

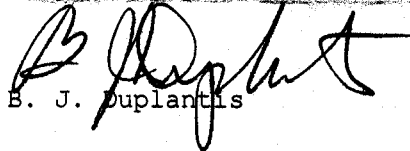

Attached hereto and made a part hereof is a plat outlining the J-6 RA SUA J-6 RB SUB and J-6 RA SUC, Main Pass Block 69 Field, Plaquemines Parish, Louisiana, and a list of the names and addresses of the interested owners, represented parties and interested parties to whom this notice is being sent. It is hereby certified that a reasonable effort was made to ascertain the names and addresses of all interested owners, represented parties and interested parties.

Upon receipt of the legal notice in the captioned matter, the notice will be posted, published and mailed in accordance with Rule 7 of the Rules of Procedure.

Any pertinent data relating to the proposed units can be obtained, AT THE COST OF THE REQUESTING PARTY, from Mr. Frank Harrison, Jr., P. O. Box 51943, Lafayette, La 70505 (337) 232-4031.

Finally, there is enclosed herewith our check on behalf of the applicant in the amount of \$755.00, made payable to the Office of Conservation, representing the required hearing application fee.

Very truly yours,

B. J. Duplantis
